centrios

Manage access to your business with a simple app.

Be there when you can't be there.

Centrios allows you to manage access to your business by connecting your Centrios locks and smart readers with a simple to use mobile app. Grant access to employees or vendors, quickly unlock your openings with a touch of your phone, easily manage schedules and view access history.

Benefits You'll Love.

- Unlock with a touch of your phone
- Transparent pricing
- No long-term commitments
- Upgrade/change your plan anytime
- 24/7 support resources
- 2 year electronics warranty

Radically Simplified.

- Install in minutes, subscribe in seconds
- Manage access for all employees and visitors in one place
- Reporting history at your fingertips
- Fixed-rate subscription plans available on a monthly and annual basis

Hardware and Software made for your business.

Cylindrical

The cylindrical lock is ideal for your exterior and interior openings including: front doors, back doors, store rooms, offices bathrooms, and more!

Smart Reader

The perfect solution for storefronts, employee entrances, store rooms, gates, offices, automatic doors, and access control retrofits. The Smart Reader can be paired with other electronic access control devices to better manage your business.

Mobile App

The Centrios Mobile App is designed to work seemlessly together with Centrios hardware. Get started, enroll devices, add users, manage schedules, and access your business all in one place!
