

GreenCircle Certification System

GreenCircle Certified, LLC certifies
that an independent, third-party evaluation has been conducted for:

ASSA ABLOY
Securiton® M380E with EcoMag® Technology

78% Energy Savings

Phoenix, AZ

Energy savings were calculated based on a 24-hour period. The analysis assumes the door is held propped open 12 times a day for 40 minutes at a time over a 16-hour period and the remainder of the time is spent in a closed and locked position. Energy savings are calculated based on an assessment comparing the Securiton EcoMag 600-lb variant product performance to the previous generation Securiton M380.

Certification Period: June 1, 2023 - May 31, 2024

Certification Number: 23-0232

A handwritten signature in black ink, reading 'Michelle Bonanno'. The signature is fluid and cursive, with a horizontal line extending from the end of the name.

Michelle Bonanno, PMP, MBA, LEED® Green Associate™
