

SafeCare® Lavatory System HSL1-Series Service Kits

Overview

The HSL1-Series Service Kits are designed to provide replacement parts for each section of the HSL1-Series lavatory systems. The HSL1-Series Service Kits tech data document is similar to other tech data, providing necessary options for ordering the kits. Complete the tech data for each service kit required for your system.

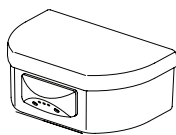

Construction

Terreon® Solid Surface Material (Bowl and Sprayhead)

The continuous bowl is constructed of Terreon®, a densified solid surface material composed of polyester resin, or TerreonRE, a densified solid surface material composed of a bio-based resin and preconsumer recycled granules. Terreon and TerreonRE are resistant to chemicals, stains, burns and impact. Surface damage can be easily repaired with everyday cleansers or fine grit abrasives.

HSL1L-Bowl-Only

HSL1-SPYD-ASSY

HSL1-Series Bowl Only Assembly

HSL1-BOWL-ONLY

These kits are just for a replacement Terreon or TerreonRE bowl.

HSL1-Series Sprayhead Assembly and Cover

HSL1-SPYD-ASSY

This kit consists of the Terreon sprayhead assembly with all integral components required for connecting to the valve assembly. They are available as a replacement or a retrofit. The retrofit will include the valve assembly.

Code Compliance & Certifications

ANSI Standards

Terreon and TerreonRE are Home Innovations Lab Certified to meet ANSI Z124.3, Z124.6 and ANSI/ICPA SS-1-2001.

Terreon and TerreonRE are GREENGUARD certified as low-emitting materials.

Wetted parts are certified to NSF/ANSI372 meeting the Lead-Free content requirement.
