

Express® Lavatory System ELX-Series Service Kits

Overview

The ELX-Series Service Kit is designed to provide replacement parts for each section of the ELX-Series lavatory systems. The ELX-Series Service Kit tech data document is similar to other tech data, providing necessary options for ordering the kits. Complete the tech data for each service kit required for your system.

Construction

Terreon® Solid Surface Material (Bowl)

The continuous bowl is constructed of Terreon®, a densified solid surface material composed of polyester resin, or TerreonRE, a densified solid surface material composed of a bio-based resin and preconsumer recycled granules. Terreon and TerreonRE are resistant to chemicals, stains, burns and impact. Surface damage can be easily repaired with everyday cleansers or fine grit abrasives.

Bowl Only

ELX-Series Bowl Only Assembly

ELX-2-BOWL-ONLY and ELX-3-BOWL-ONLY

These kits are just for a replacement Terreon bowl.

Code Compliance & Certifications

ANSI Standards

Terreon and TerreonRE are Home Innovations Lab Certified to meet ANSI Z124.3, Z124.6 and ANSI/ICPA SS-1-2001.

Terreon and TerreonRE are GREENGUARD certified as low-emitting materials.

ELX-Series Bowl Assembly

Model

- ☐ **ELX-2-BOWL-ONLY** ELX-2 Bowl Only
