5B2-113600

Elvari® Jumbo Roll Toilet Paper Dispenser

Key Features

- High quality and modern style complements other Elvari® products
- Single Roll Dispenser Holds up to 10" Diameter
- Advanced weld construction
- Radiused sides for a softer design
- Concealed BradLock™ magnetic locking system

Operation

Cabinet holds one roll (up to 10" diameter) of 1-1/2", 2-1⁄8" or 3" diameter core toilet tissue (by using core adapters, p/n P10-707). Red level indicator slot reveals when tissue level has approximately 20% product remaining. Magnetic locked door swings down to replenish tissue roll, which resets the red level indicator. Magnetic lock location is hidden from view behind the Bradley logo.

Guide Specification

Surface mounted jumbo roll toilet paper dispenser. Cabinet holds one roll (up to 10" diameter) of 1-1/2", 2-1⁄8" or 3" diameter core toilet tissue (by using core adapters, p/n P10-707). Red level indicator slot reveals when tissue level has approximately 20% product remaining. Magnetic locked door swings down to replenish tissue roll. Dispenser will be provided with a key-activated spring lock.

Optional Electrocoat Finishes

Bradley offers an exclusive, proprietary electrocoat color process on the Elvari toilet paper dispenser models. Unlike powder coating, color is applied to the entire stainless steel part using a submersion process with electrically charged particles. This process results in a precise film thickness across all surfaces, allowing the grain of the stainless steel to show through.

Electrocoat provides complete coverage to the part and has environmental advantages such as no or low-VOC and HAPs (Hazardous Air Pollutants), heavy metal-free products, and minimum waste discharge. Bradley's electrocoat is durable and easy to clean as well as fingerprint, stain and corrosion resistant. A UV light stabilizer additive enhances resistance to weathering and color fade.

Products are performance tested for adhesion following ASTM D3359-22 and impact resistance following ASTM D2794.
