

Why your customers need the HPC Switch Blitz™

Sometimes your customers need to cut keys by code and other times they need to duplicate keys. Some customers may not have the space in their shop or vehicle for multiple machines, or they cannot justify the cost of purchasing multiple machines.

How to sell the HPC Switch Blitz™

Key Selling Points:

- ★ **2 MACHINES IN 1, CUT BY CODE AND DUPLICATE!** Switch back and forth from code cutting to duplicating in seconds. You get 2 machines in the bench space of 1.
- ★ **BASED ON THE HPC 1200CMB BLITZ™!** When it comes to code cutting, no machine is quicker to learn or faster to use. All it takes is swapping out a code card to switch between most manufacturers.
- ★ **SEMI-AUTOMATIC DUPLICATOR!** The spring-loaded carriage pulls the blank into the cutter as you turn the space crank dragging the original key along the tracer quickly cutting an accurate duplicate in seconds.

- ★ Over 25 years of proven technology & know-how have made HPC's Blitz™ the "Standard of the Industry." Tens of thousands have been sold by HPC, the majority of which are still in use today!

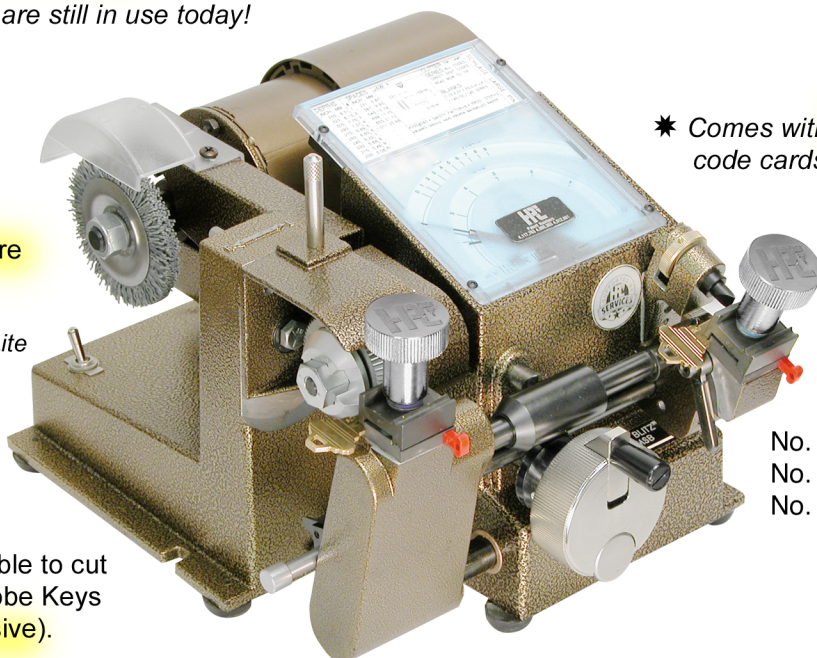

- ★ Single-line code cards for "needle-point" accuracy.

- ★ **FREE** software \$595.⁰⁰ value

CodeSource® Lite
available upon
registration

- ★ Adapters available to cut Tubular and Tibbe Keys (an HPC exclusive).

- ★ Comes with 150 code cards.
