

# Why your customer needs the HPC Gold Finger Killer Kit

The success of today's locksmith depends on the ease and quickness of each car opening. Having the right combination of tools at the right time can make the difference between a difficult car entry and an easy, quick and profitable auto opening.

## How to sell the HPC Gold Finger Killer Kit

### Key Selling Points:

- ★ **Dual-Ended Car Opening Power!**  
*This 5-foot long, bendable car opening tool has two special working ends. The hook end is designed to mimic your finger action pulling levers and flipping rockers. The opposing end is perfect for grabbing switches that must be pushed. The bright yellow ends make them easy to see in dark interiors, and the super strong steel body will outlast similar tools.*
- ★ **Everything you need in the Kit!**  
*This compact, complete kit is all you need to unlock a large variety of autos with button locks. Includes the Gold Finger Car Opener, the AutoSleeve™ and the Original Air Wedge®*
- ★ **Buy the kit and save money!**  
*By placing these ready-to-go kits in your will-call area, you'll create impulse sales and save your customer money!*

(No. CO-90 Gold Finger, No. AS-1 AutoSleeve™ and No- AW-99 Original Air Wedge® are also available separately)

Hang in your will-call area.  
**At this price point it's sure to sell out quickly!**
