

Why your customers need the HPC Skinny Flipper™ Killer Kit

The success of today's locksmith depends on the ease and speed of each car opening. Having the right combination of tools at the right time can make the difference between a difficult car entry and an easy, quick and profitable auto opening.

How to sell the HPC Skinny Flipper™ Killer Kit

Key Selling Points:

★ **Great solution for tight door frames!**

The Skinny Flipper™ is made of super bouncy spring steel, and the laminated body allows you to manipulate the working end a full 180° from outside of the car. An ideal solution to tight door seams and difficult lock locations!

★ **Everything you need in the Kit!**

This compact, complete kit is all you need to unlock vehicles with tight door frames. Includes the Skinny Flipper™ and the HPC AutoSleeve™.

★ **Buy the kit and save money!**

By placing these ready-to-go kits in your will-call area, you'll create impulse sales and save your customer money!

(No. CO-89 Skinny Flipper™ and No. AS-1 AutoSleeve™ are also available separately)
