Locksmith Tools

LAB Re-Pinning Tools

LREPIN - LAB Repinner Kit

• The LAB Repinner Kit was designed with the repinner in mind. Its unique insert has pocket depths unlike a normal pinning kit. The locksmith can customize their own repinning kit to accommodate their specific needs (ie. pins, clips, springs, cores, tools.)
• Smart Wedge Design
• Uniquely designed insert
• Sold Empty
• Side drawer for tools
• Can accommodate approximately 2000 of the largest Schlage pin in the big pockets and upwards of 5000 of the smallest pin.
• Leakproof Seal-Tight Cover
• Wedge Shape with 10° angle
• Dimensions:13" x 10-1/2" x 3-1/4"
