Now You Can Lock Your Roll-up Door With A High Security Deadbolt

Storage facilities are one of the easiest targets and a favorite method for thieves to gain entry into. ShedLok provides an easy to install lock with strike plate that provides your storage facility with instant high security.

Features

- High security
- Accepts most commercial and residential deadbolts, including Grade 1
- Strike plate designed to inhibit cutting the throwbolt
- "Anit-pry" plate prohibits prying the deadbolt away from the jamb
- Powder coated to resist weather and rust

Benefits

- No padlock to cut or lose
- Allows for securing overhead door storage facilities with no other access; roll-up delivery and semi-truck doors, etc.
- Deadbolts keyable to most keyways and key systems
