

# LAB IC-PRO 150

*Designed for High Volume Interchangeable Core Pinners*

Part number: LCP001\*

**Features:** Designed for capping all SFIC 0.150" six or seven pin cores. Factory adjusted and tested. Swivel design for easier access. Designed for high volume interchangeable core pinners.

**Benefits:** Easy to use with no field adjustment required. Saves time and money versus manual hand capping methods. Location and depth of caps preset at factory. Uses standard LAB brass Capping Strips (part numbers LBCSP50 or LBCSP250) and replacement Punch Assembly (part number LCP001-12) available from LAB, stocked items.

**Nominal Dimensions:** 17" high including ram, 12" wide, 13.5" deep including handle total weight 32.5 pounds.

\*LCP001 includes all items shown (arbor press, capping die and 50pc of the LAB capping strips)
