

KALABRONE MINI is a new shelf support for free-standing shelves. Features a captivating design for current market demands.

Advantages/Benefits

- ✓ An oval hole positioned on the upper bracket allows vertical adjustment (+2, -2mm).
- ✓ The soft element made of engineering plastic positioned on the upper and the lower bracket guarantees perfect adhesion to the shelf, preventing accidental removal of the shelf.
- ✓ The system's solid structure guarantees a load capacity of 6 kg, including the weight of the glass shelf, for each support with a shelf 150 mm deep.
- ✓ The two available finishes (satin nickel and bright chrome) will add a touch of elegance and distinction to your room.
- ✓ A locking device allows the glass to be firmly in place.

COMBINATION SHELF LOAD AND SHELF DEPTH
(The figures refer to 1 shelf support)

Product number	Load rating/support	Glass Thickness	Finish
162280140	Max 6kg (13,2lbs)	5 to 10mm (3/16" to 3/8")	Bright Chrome
162280185	Max 6kg (13,2lbs)	5 to 10mm (3/16" to 3/8")	Satin Nickel
