

Technical Information - Separating agent

Product number: 882.5

Product name: Lc 2/10 Separating agent

Areas of use: Lc 2/10 is a high quality separating agent primarily used in the furniture industry for processing edges.

Physical data:

- **Color:** Yellow
- **Consistency:** Liquid
- **Odor:** Solvent like
- **Density:** Approx. 0.80 g/m³ (DIN 53217, 20°C)
- **Viscosity:** 12 s (DIN flow cup 4 mm, 20°C)

Properties: Lc 2/10 prevents adhesion of adhesive residue which can occur during edge banding – residue can be easily removed.

Application and description:

Lc 2/10 is ready to use and is sprayed undiluted on the top and bottom of the edge area of the work piece in front of the form cutter. This contains a fluid, which leaves a quickly evaporating protective film on the work piece. The visible advantage: no glue residue on the work piece.

Processing: Fill the reservoir on the spray equipment with Separating Agent Lc 2/10 and set the ideal spray rate. Conduct a trial run as a precaution.

Storage: Store in a cool and dry place. Can be stored for at least 2 years at proper storage.

Identification according to REACH: F – highly flammable
Identification required according to EU regulations

Packaging: 5, 10, 30 liter canisters
200 liter plastic containers

Remarks:

Additional information can be found in our material safety data sheet.

Our technical applications advice, whether oral, written or through tests, is given based on the best of our knowledge; it is, however, only to be considered as non-obligatory advice, also with regard to any protective rights of third parties, and does not exempt you from your own examination of the products which we have delivered regarding their suitability for the intended purpose. Application, use and processing of the products occur outside of our supervision possibilities and are thus exclusively your responsibility. Should a question of liability nevertheless arise, this is limited for all damage to the value of the goods delivered by us and used by you. As a matter of course, we guarantee the perfect quality of our products in accordance with our general sales and delivery conditions. New editions take precedence and invalidate previous instructions. Please adhere to the EC security sheets.
