

Technical Information

Cleaning fluid

Product number: 882.9

Product name: Lc 2/21 Cleaning fluid

Product description: Lc 2/21 is a highly effective cleaning fluid, which is mainly used in the furniture industry in the edge processing.

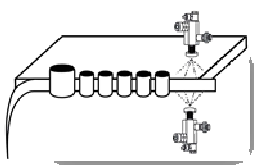

Physical data:

- **Color:** Green
- **Consistency:** Liquid
- **Odor:** Solvent Awesome
- **Density:** Approx. 0.791 g/m³ (DIN 53217)

Areas of use:

- Machine constructors (different types of machine)
- Edge banding machines
- Furniture industry

Application and description:

LcM cleaning fluid cools down the adhesive joint at the edges. Lc 2/21 cleaning fluid is designed for use directly in front of the cross-cut saws. Thereby the glue is cooled down to normal room temperature.

By the constant use of the LcM cleaning fluid is the glue joint constantly cooled and the glue smeared no longer. The workpiece is free of dirt and glue rests and there is no glue rests anymore on the form cutter.

Lc 2/21 provides an additional cleaning effect and reached in connection with the Lc 2/30 perfect result.

We use a cleaning fluid using a LcM spray system - container with Lc 2/21 fill and adjust optimum spray starch. Make a test run for safety.

Storage: Recommended storage temperature: 10-25 °C.
Storage ≤ 2 years closed and in original barrels.

Available cans: 5, 10, 30 liter cans
200 liter barrels

Remarks:

Additional information can be found in our material safety data sheet.

Our technical applications advice, whether oral, written or through tests, is given based on the best of our knowledge; it is, however, only to be considered as non-obligatory advice, also with regard to any protective rights of third parties, and does not exempt you from your own examination of the products which we have delivered regarding their suitability for the intended purpose. Application, use and processing of the products occur outside of our supervision possibilities and are thus exclusively your responsibility. Should a question of liability nevertheless arise, this is limited for all damage to the value of the goods delivered by us and used by you. As a matter of course, we guarantee the perfect quality of our products in accordance with our general sales and delivery conditions. New editions take precedence and invalidate previous instructions. Please adhere to the EC security sheets.
