

BEAUTIFULLY  
STRONG CHOICE  
**11 COLORS**

IMPREZA is a high performance ultra-thin compact surface designed to maintain a uniform color in its core. With a selection of 11 unique and versatile colors - 3 designed for interior use only and 8 additional colors to choose from for both interior and exterior projects. IMPREZA ultra-thin panels are engineered to outperform.

- Greenguard Gold certified.
- Enhanced protective layers with aluminum oxide.
- ½" thickness offering thin profile countertops.
- 30" and 60" wide surfaces in stock for standard countertops and large kitchen islands.
- Peel coat on both faces to prevent scratching before installation.

### Advantages and benefits

- Hygienic surface that is easy to maintain.
- Created for interior application and enhanced for both interior and exterior spaces on selected designs.
- Uniform matching color on the edges that is easy to profile.
- Designed with you in mind, it is made to withstand everyday use with its impact, scratch, moisture and stain resistant properties.

**IMPACT RESISTANT**
