

Swiveling electrical ironing board for recessed mounting.

## Advantages

- Designed for recessed mounting, but can also be surface mount. Read mounting instructions consequently.
- Swiveling board as well to the right than the left so offer you a better posture for ironing.
- Height adjustable up to 4"
- Ventilated steel board allowing humidity caused by the iron to dry faster.
- Door mounted on piano hinge with right hand opening (AE42) or left hand opening (AE423).
- Unfinished maple veneer door include a roller catch to keep it closed.
- Locking device to hold the board lift up when opening the door.
- Electrical box including a light, a timer and a push button switch.
