

Surface mount installation ironing board.

### Advantages

- Easy surface mount installation, requires no wall modification.
- Ventilated steel board allowing humidity caused by the iron to dry faster.
- Door mounted on piano hinge with right hand opening.
- Unfinished maple veneer door include a roller catch to keep it closed.
- Locking device to hold the board lift up when opening the door.
- Replace the old model #NE22110 that had a wood board.

The new model offers now a steel ventilated board allowing to the humidity caused by the iron to dry up faster.
