

Utensils dividers Orion Gray or White

Utensils dividers for large drawers
available in trendy color Orion gray or
glossy White

Textured Orion gray finish

Glossy White finish

Advantages

- These 3 widths are the answer to the trend of wider drawers for a range of 560 to 815mm (22" to 32") .
- Trendy textured Orion gray finish or glossy White.
- Clean lines and more square profile that gives a more modern look.
- The compartments allow to store cutlery as well as utensils in the same drawer.
- Same high quality standards as our actual dividers.
- Easy to cut to size, around 1" (25mm) on back and front, up to 2" (50mm) on each side.
- Made of durable polymer.
- These dividers are ideal for the storing and preparation zones
