

Snello: Sliding basket systems for base cabinet widths of 150 mm.

Product Advantages

- Equipped with soft-close, full extension slides.
- Accessible from two sides.
- Ideal product to have near your sink, in your washing area, to store towels and cleaning products.
- Side mount: Excellent lateral stability due to its sturdy frame. Installation must be done before cabinet assembly.
- Door installation: Adjustable at three points.
- Metal baskets with minimalist rims on each side help optimize storage.
- Baskets are easily removed for cleaning.
- Soft-close mechanism is included in the base mechanism. For enhanced performance, an additional soft stop (D) can be installed in the top (optional).
- Anti-slip mats (B) are optional additions.
- Magnetic dividers (C) can be added for custom organization.
- Weight capacity: 15 kg (33 lb).
