CARGO SHORT 3-BIN SYNCHRO - with sliding lid

The set includes 1 x 28L + 2 x 13L bins for a total capacity of 54L. All bins are covered by an integrated pull-out metal/plastic lid with anti-slip surface. The Lid can also be used as extra storage space. One of the small 13L bins also comes with an individual lid.

3 bins Soft-Closing Cargo recycling center with over-travel synchronized slides and pull-out lid.

Application

- Base cabinet in a kitchen
- Can be installed under a drawer

Advantages

- 3 bins to help waste management
- Suitable for 600mm external width cabinets (16 or 19mm side gables)
- Its low height allows to have a drawer above the recycling center
- Large capacity of 54 L (1 x 28 L + 2 x 13 L)
- Fully synchronized over-travel slides for smooth function and easy bin removal.
- Soft-closing system
- The internal lid can be pulled out independently to reach the stored items easily.
- Individual lid for one 13L bin
- Trendy dark grey finish
