UNISET
metal drawer sets

LONG-LASTING SYSTEM THAT IS ASSEMBLED IN A FLASH!

Simple & practical

Known for its speed and ease of installation, FGV's Uniset single-wall drawer is very popular in the cabinet-making market.

Uniset is available in a wide range of heights and depths to suit all your projects. The presence of the integrated horizontal and vertical adjustment capability makes this drawer system versatile and easy to adjust.

ADVANTAGES AND BENEFITS

- Zeta ANYWAY damper add-on system for a soft-close motion
- Simple mounting for ease of assembly
- Straight inner wall for space optimization
- Easy drawer removal for cleaning
- Excellent load tolerance with 55 lb (25 kg) standard capacity
