

Decover

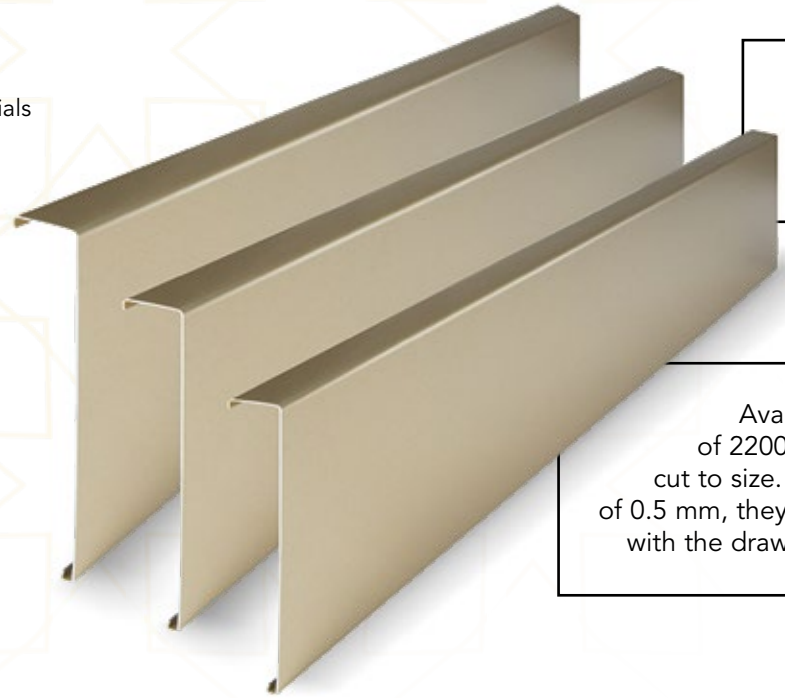

BEAUTIFUL INSIDE & OUT!

FOR OptimizR

Richelieu

DECOVER is made from specially anodized aluminum, giving it a premium appearance and tactile quality. It fits securely around the sides of your OPTIMIZ-R drawer. Featuring an innovative clip-on system, DECOVER can be quickly installed on both new and existing OPTIMIZ-R drawers in just seconds. It undergoes extensive testing —hundreds of hours — during both the design and production phases. This ensures that DECOVER not only looks exceptional but is also durable and built to last.

- Recyclable materials
- Quality
- Endurance
- Fast installation

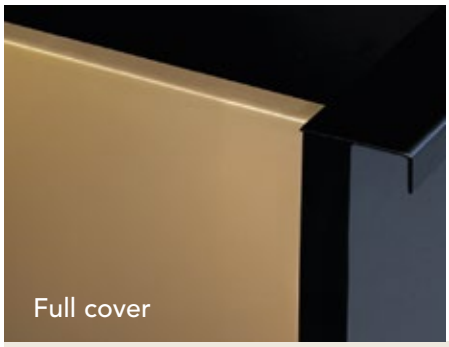

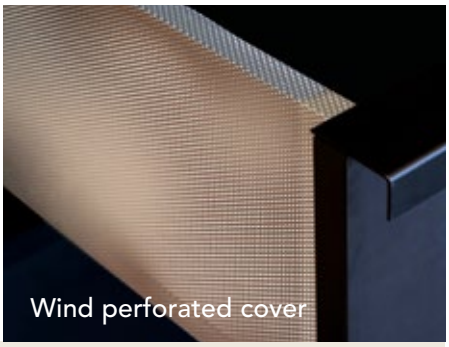

Entirely made of solid aluminum, cold-formed in Italy

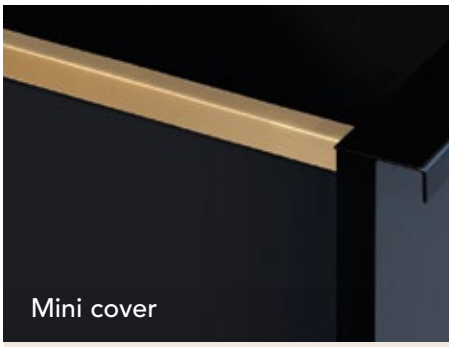

Available in a length of 2200 mm and can be cut to size. With a thickness of 0.5 mm, they do not interfere with the drawer's functionality

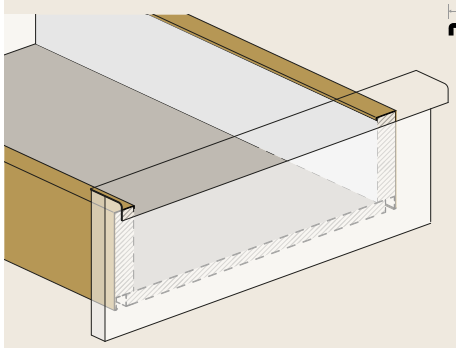

Style options

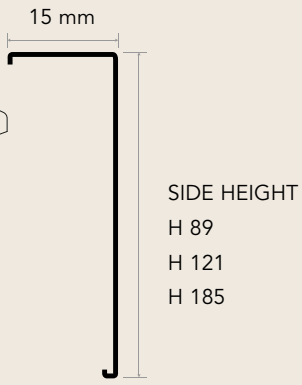

DECOVER are tailor-made in three styles to fit the OPTIMIZ-R drawers.

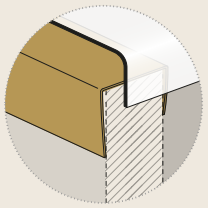

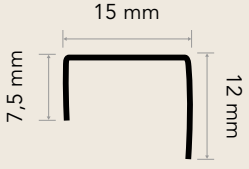

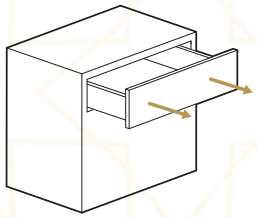

Assembly

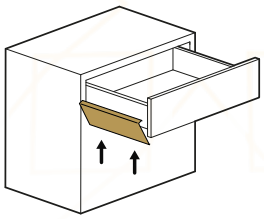

- DECOVER can be installed in just a few simple steps, without the need for screws or glue.
  Get ready to impress in only few seconds per drawer!

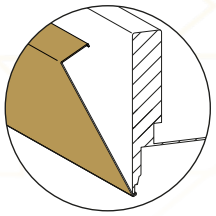

1. Open the drawer fully

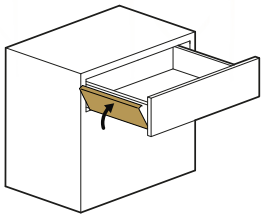

NOTE: for certain types of drawers the sliding installation is necessary.

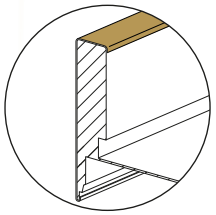

2. Attach the cover to the bottom edge of the drawer

3. Fix the cover applying a gentle pressure

Compatibility
