

PINELLO Base Cabinet System

LIRO Shelf Design

FRAMELESS

Modern anthracite finish with customizable inserts for a personalized look.

Features

- System designed for frameless pull-out cabinets.
- Includes anti-slip mats
- Soft close mechanism
- Can also be installed without inserts for a sleeker look
- Full extension opening
- Optional extra shelf extensions
- Weight capacity by basket:
 - For 150mm or 200mm (6" or 8") cabinets: 15kg (33 lbs)
 - For 300mm (12") cabinets: 20kg (44 lbs)

Advantages

- Maximizes storage in narrow spaces
- Complete access to items thanks to the full extension slides
- Customizable insert slot: customer can cut different materials to size to add a personalized look (e.g.: wood, glass, metal, etc.)
- Easy access to shelves allows you to clean the storage area with reduced effort.
- Soft close mechanism to reduce noise in the kitchen

Benefits

- Simplifies daily kitchen activities and stands up to repeated usage.
- Reduced physical strain, less bending and reaching for hard-to-reach items.
- Increases visibility of all items to limit neglecting or forgetting objects that are out of sight.
- Adapts to the style of your kitchen with the modular wood insert.
- Enhanced organization with tiered shelves allowing full visibility and simple sorting

Applications

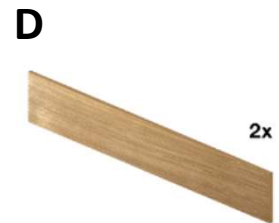

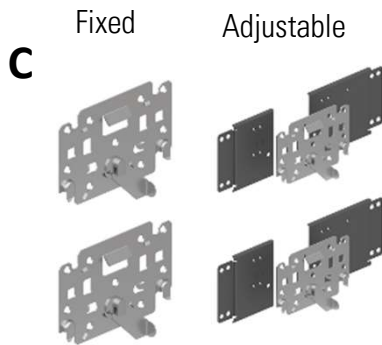

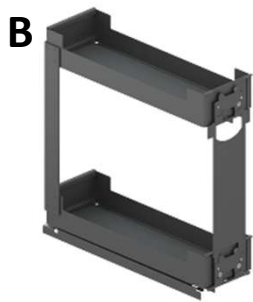

- Kitchen base cabinet
- Any room in the home (office, bathroom, laundry room, etc.)

For a complete set, order:

- A. 1 pair of slides
- B. 1 Pinello structure (incl. 2 shelves with anti-slip mats + bottom brackets)
- C. 1 pair of front fixing brackets (fixed or adjustable depending on cabinet width and door type)
- D. Customizable inserts
