Point Pod Tear Sheet

PPCV815

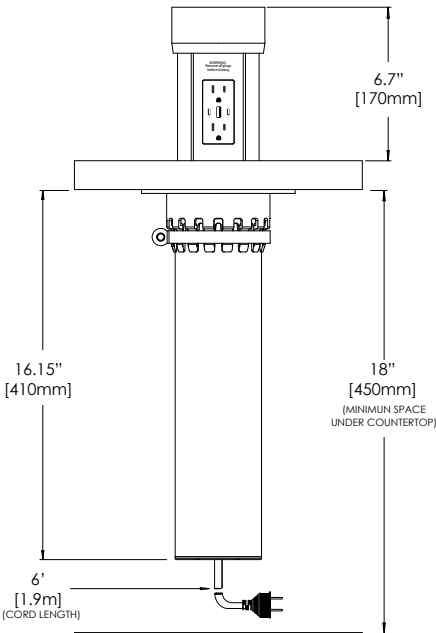

Discover the Point Pod—an elegant, motorized pop-up outlet that brings power exactly where you need it. Designed to blend seamlessly into countertops in kitchens, offices, and modern spaces, the Point Pod remains virtually invisible when not in use, preserving a clean, uninterrupted surface. With a gentle press, it rises smoothly to reveal a neatly arranged set of power and USB outlets. ETL listed for the U.S. and Canada, and available in multiple configurations, the Point Pod redefines convenience with a sleek, space-saving design that complements any environment.
