407 1/2 - WALL DOOR STOP

IVES

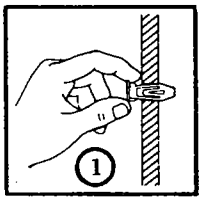

The ARTISAN Collection™

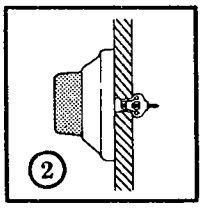

Congratulations! You have selected a beautiful, finely crafted, solid brass product that will enhance the beauty of your home for years to come. Since 1876, H.B. Ives quality hardware has helped build the most distinguished homes in America.

WALL DOOR STOP

FOR USE ON WALLS TO STOP DOOR AND PREVENT DAMAGE TO DOOR, WALL AND DOOR KNOB.

INSTALLATION INSTRUCTIONS

TOOLS REQUIRED: Drill, 5/16" drill bit and Phillips screwdriver, awl or pencil.

1. Swing door to wall until knob touches wall. Position wall stop between wall and knob. Holding wall stop in place, close door and mark screw hole (located in center of rubber unit) on wall.
2. Drill 5/16" hole through wall.
3. Insert plastic drywall anchor through hole and tap flush to wall. (See illustration 1)
4. Secure with screw. (See illustration 2)

MAINTENANCE INSTRUCTIONS

H. B. Ives Solid Brass products have a clear, protective lacquer coating which helps prevent discoloration. Do not use abrasive waxes or cleaners.
