Laser Door Core Drill Fixture Kit

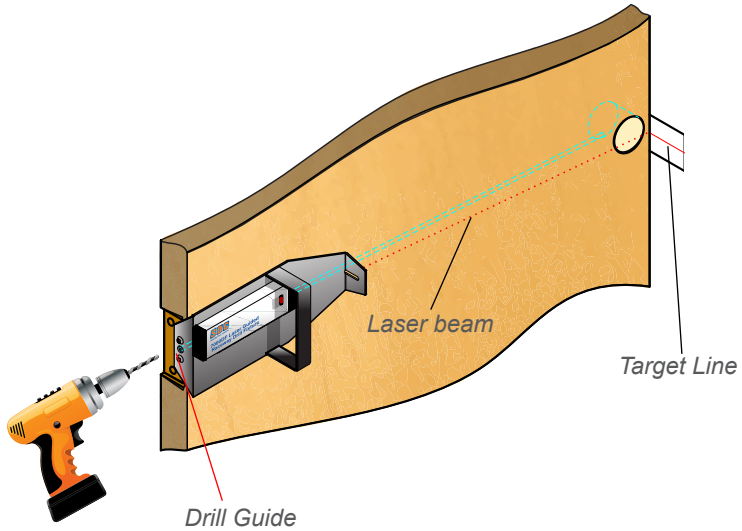

1/4 x 6" Pilot Drill Bit

3/8" x 50" Evacuator Drill Bit - Custom Designed for Door Raceways — Extra Long 1 Ft. Flute

The SDC 7000-DG Laser Guided Wire Raceway Drill Fixture enables wire raceway preparation through particle filled and solid wood doors. The door core wire raceway permits the installation and wiring of electrified locksets, exit devices and electric hinges.

The Laser Guided Wire Raceway Drill Fixture is easy to use without previous experience. The kit allows for drilling from the hinge side without removing the door from the frame.
