JAMB CAM

JAMB MOUNTED COLOR VIDEO CAMERA

PRIMARY APPLICATION

DESCRIPTION

BEA's Jamb Cam is an enhanced definition color video camera designed to monitor the usage and traffic flow of pedestrian doors.

Its sleek, low profile design provides a discreet method for improving loss prevention and limiting liability.

The RCA video output can be seamlessly integrated into most existing video surveillance systems.

FEATURES & BENEFITS

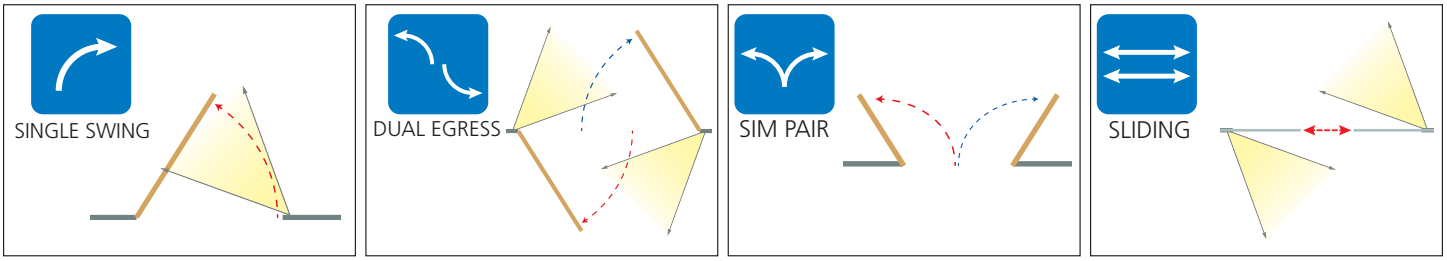

- Full color video with resolution of 480 × 720 (480p)
- Standard RCA video output
- Wide angle lens for complete view of door and traffic flow
- Integrated voltage regulator for installation convenience
- Low profile design minimizes accidental damage from shopping carts and other errant objects
- Reversible left and right mounting for application flexibility
