BRASS MONOBLOCK
82 SERIES

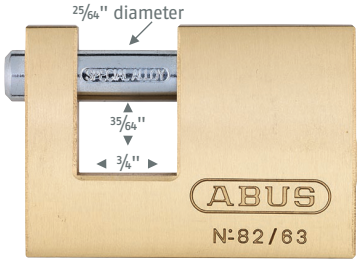

Strong and Secure

82 Series Monoblock padlocks offer a solid brass body with a hardened steel shackle for **supreme corrosion resistance** and **maximum resistance** to bolt cutters. Paired with ABUS high security chain, monoblock padlocks provide ultimate protection.

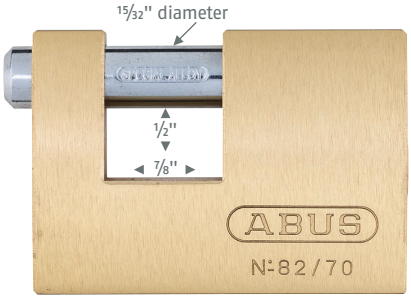

Key **Features**

- Brass body offers strength and rust resistance
- Unique padlock design with hardened steel shackle and pin provides maximum resistance to bolt cutters
- Hardened steel pin protects the narrow side of the body against sawing
