[2]Specify 1-1/8" mortise cylinder cylinder by keying requirements

[3]Specify lever design by hand

The warranty on Corbin Russwin® products becomes void if the product is modified in any way, regardless of whether the modification causes or contributes to any alleged defect. If a Corbin Russwin product is modified it may no longer meet industry certification and quality control standards applicable to the original product and is no longer a genuine Corbin Russwin product.

[1] Specify finish

[2] Specify lever design by hand

[3] Only required for PED4600, PED4800, & PED5800 devices

The warranty on Corbin Russwin® products becomes void if the product is modified in any way, regardless of whether the modification causes or contributes to any alleged defect. If a Corbin Russwin product is modified it may no longer meet industry certification and quality control standards applicable to the original product and is no longer a genuine Corbin Russwin product.
