Schlage Control™ Smart Interconnected Locks

FE410F, Grade 2

Schlage Control™ Smart Interconnect Lock
with Addison trim in Aged Bronze with Accent lever

Schlage Control™ Smart Interconnect Lock
with Greenwich trim in Satin Nickel with Broadway Lever

Schlage Control™ Smart Interconnected Locks mark a new era of electronic access control in the multifamily world. By ushering in the next generation of highly scalable, efficiency-boosting capabilities, multifamily properties can focus on operating more profitably—and with greater appeal for residents.

Using cloud-based mobile or web apps, facility staff can configure and manage access from virtually anywhere. Open integration capabilities provide flexible, streamlined control and the freedom to integrate with our Software Alliance Members to manage a wide spectrum of facility needs. Residents will enjoy the convenience of using a smartphone and/or smart credentials to open doors.

Schlage Control™ Smart Interconnected Locks are part of an extensive Allegion™ lineup, which holds a solution for every door a multifamily property needs to manage.

Benefits

- Improves security and safety, reduces liability
  - No-cylinder design makes locks 100% pick proof
  - Designed for accessibility using smart credentials and/or smartphone (by using Software Alliance Member mobile application)
- Increases efficiency of property operations
  - Eliminates cost and hassle of managing of keys
  - No-Tour functionality (altering access to a lock without having to visit it)
- Maximize return on investment
  - Smart credentials eliminate lock rekeying costs
  - Upgrades property visual appeal

Features

- Keyless, no cylinder design—100% pick-proof
- Modern credentials—smart credential and/or smartphone as key using Software Alliance Member mobile application
