KA-DGR PANEL

Stainless Steel Housing for Color Video Door Stations

KA-DAR
With KA-DGR PANEL

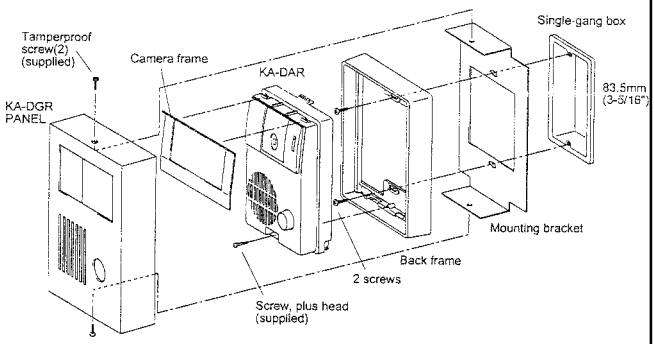

DESCRIPTION:
The KA-DGR PANEL is a stainless steel housing for Aiphone K-series video system. All K-series cameras feature a color CCD camera with built-in illumination for low light viewing.

A call button on the Color Video Door Station activates an internal monitor(s) with a four stroke chime. Communication at the door is hands free.

KA-DGR PANEL FEATURES:
- Vandal resistant faceplate
- Weather resistant for outdoor use

K-SERIES DOOR STATION FEATURES:
- Push button to call inside station(s)
- Compact surface mount design
- Cameras mount to 1-gang box or ring
- Tilt color camera
- Call button rings chime at inside monitor
- Audio and video activate with door call-in
- Hands free communication when master answers
- Built-in illumination for low light applications
- External light with automatic activation can be added
- Simple 2-wire hook up - can replace existing doorbell
