KA-FSH

Flush Mount Stainless Steel Housing for Color Video Door Stations

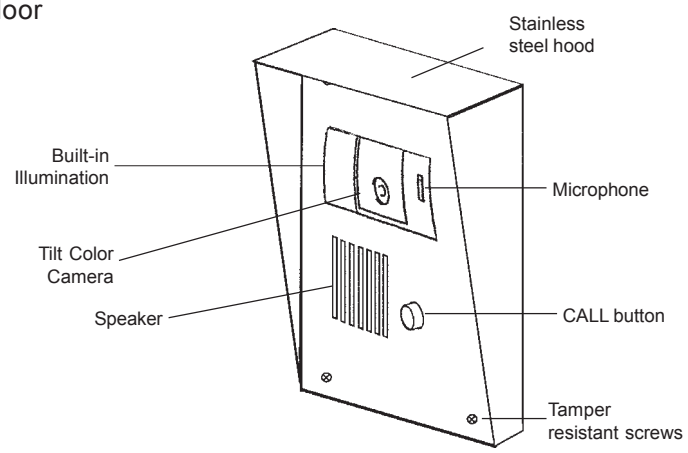

DESCRIPTION:

The KA-FSH is a flush mount stainless steel housing kit for Aiphone K-series video door stations. The housing provides greater vandal resistance for commercial or institutional applications. For further protection, a hood is included to help protect the video door station from direct rain or sunlight.

The KA-FSH flush mount housing can be added to either the KB-DAR or KC-DAR video door station. Each item is sold separately.

KA-FSH FEATURES:

- Stainless steel construction
- Weather resistant for outdoor use
- Includes hood for greater protection from weather
- Can be mounted without hood in order to be flush with wall (recommended for indoor installations only)
- Can be added to any existing KB-DAR or KC-DAR color video door station (or previous KA-DAR)

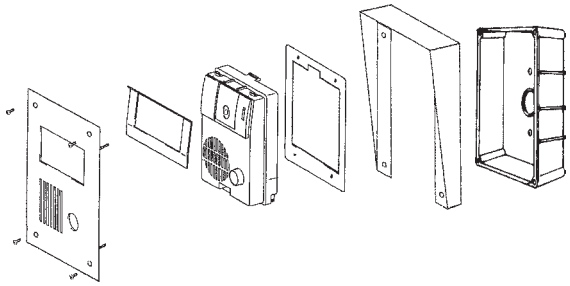

KB-DAR or KC-DAR Video Door Station in KA-FSH Housing

K-SERIES DOOR STATION FEATURES:

- Compact unit with color CCD camera and intercom
- Push button to call inside station(s)
- Tilt color camera moves up 40 degrees
- Audio and video activate at inside station(s) when call button is pressed
- Hands free communication at door
- Built-in illumination for low light applications
- External light with automatic activation can be added
- Simple 2-wire hook up - can replace existing doorbell
