LCN®

Choosing the right auto operator

Things to consider before you begin:

1. Facility type
2. Physical requirements of opening
3. Code requirements
4. Environmental and user abuse
5. Traffic volume/flow
6. Functionality needs
7. Aesthetic concerns
8. Durability requirements
9. Budgetary constraints

I want a product that is mostly...

- Manual
  - I want to power my device ...
