

Pemko PemKonnnect™ Modular Hinge

ASSA ABLOY
Opening Solutions

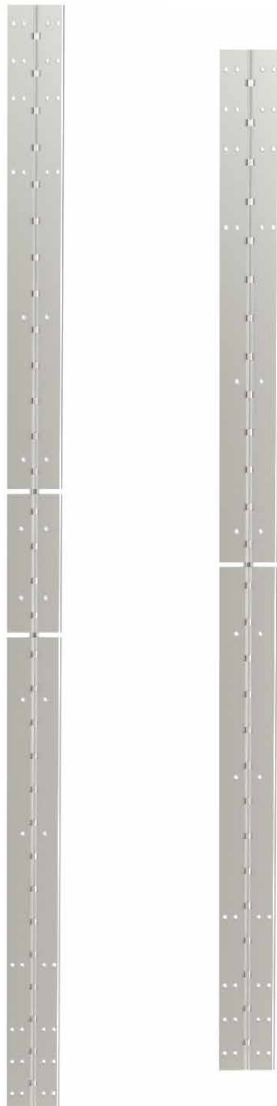

Experience a safer
and more open world

Launch Date

May 28, 2021

Our latest groundbreaking innovation - the patent pending PemKonnnect™ Modular Hinge - was designed for ease of transportation. This multi-piece continuous hinge option, which comes in 83" or 95" lengths, conveniently fits through doors, elevators, into vans; and can even be stored on shelves.
