■ Package contents

- Power supply (PS-1820, PS-1820UL or PS-1820S)
- AC cord & plug (except PS-1820)
- Mounting bracket
- Packet of screws
- INSTALLATION MANUAL

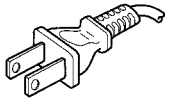

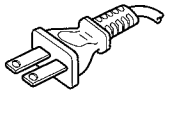

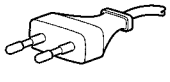

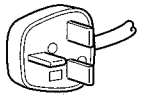

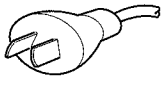

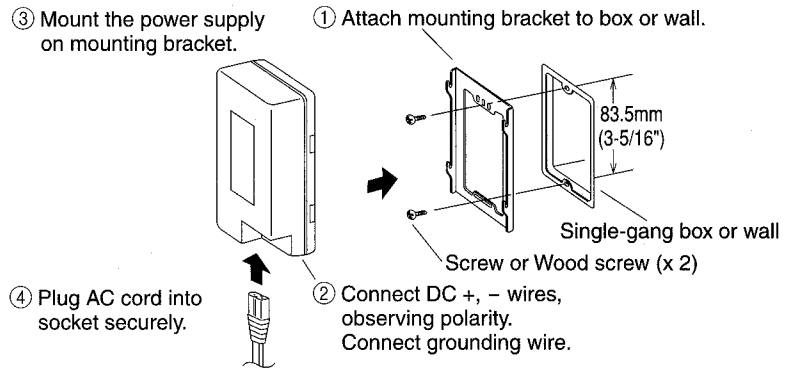

Type of plug varies by model

■ AC cord requirements (for PS-1820)

- Rating: 125V, 2A (for use with 100-125V AC)
  250V, 2A (for use with 200-240V AC)
- Cord length: min. 1.8m (6'), max. 2m (6'7").
- Type: Must comply with requirements set out by the Safety Approval/Certification Organization in each country of use.
- AC cord inlet: Specified EN60320 or equivalent.
- Employ a plug in shape and ratings matched with AC outlet to be used.

Plug configuration	Usage	AC cord Nominal voltage & current rating
 UL LISTED	North American	120V, 60Hz, 2A min.
 UL LISTED	North American	240V, 60Hz, 2A min.
	Universal European	230V, 50Hz, 2A min.
	United Kingdom	230V, 50Hz, 2A min.
	Australian	240V, 50Hz, 2A min.

1 MOUNTING

2 BEFORE ASKING FOR REPAIRS

If your intercom system does not work properly or malfunctions, do not attempt to change or rectify wiring. Ask qualified personnel. If the system is not being used, PS-1820 can be unplugged.

3 SPECIFICATIONS

- Power source: AC 100V - 240V, 50/60Hz.
- Power consumption: 45W/75-95VA
- Secondary output voltage: DC 18V
- Secondary output current: 2A
- Dimensions & weight: 167H x 90W x 52D (mm).
  6-9/16"H x 3-9/16"W x 2"D.
  Approx. 430g (0.95 lbs.) (except AC cord)
- Ambient temperature: 0˚C~+40˚C(32˚F~104˚F)

WARRANTY

Aiphone warrants its products to be free from defects of material and workmanship under normal use and service for a period of one year after delivery to the ultimate user and will repair free of charge or replace at no charge, should it become defective upon which examination shall disclose to be defective and under warranty. Aiphone reserves unto itself the sole right to make the final decision whether there is a defect in materials and/or workmanship; and whether or not the product is within the warranty.
This warranty shall not apply to any Aiphone product which has been subject to misuse, neglect, accident, or to use in violation of instructions furnished, nor extended to units which have been repaired or altered outside of the factory. This warranty does not cover batteries or damage caused by batteries used in connection with the product.
This warranty covers bench repairs only, and any repairs must be made at the shop or place designated in writing by Aiphone.
Aiphone will not be responsible for any costs incurred involving on site service calls.
