The warranty on SARGENT® products becomes void if the product is modified in any way, regardless of whether the modification causes or contributes to any alleged defect. If a SARGENT product is modified it may no longer meet industry certification and quality control standards applicable to the original product and is no longer a genuine SARGENT product.

The warranty on SARGENT® products becomes void if the product is modified in any way, regardless of whether the modification causes or contributes to any alleged defect. If a SARGENT product is modified it may no longer meet industry certification and quality control standards applicable to the original product and is no longer a genuine SARGENT product.
