SBX-AXDV30

Stainless Steel 30° Angle Box for the AX-DV

- INSTRUCTIONS -

The SBX-AXDV30 is an 18-Gauge stainless steel surface mount 30° box designed for angle mounting the AX-DV video door station. This is applicable for wide or double door entrances where the door station needs to be mounted off to the side of the door, and provides a better viewing angle for the camera.

SBX-AXDV30

CONTENTS:

- SBX-AXDV30 Surface mount 30° angle box
- 4 machine screws

MOUNTING INSTRUCTIONS:

1. The SBX-AXDV30 is designed to mount to a 1-gang box or ring, or to any flat surface.
2. Pass cable through the knockout hole.
3. Secure mounting box to wall.
4. Connect Cat5 cable to AX-DV. (Refer to system's installation instructions.)
5. Attach video door station to mounting box using supplied machine screws.
6. Attached camera case to camera unit using supplied security screw and tool. (Security screw and tool are supplied with the door station.)

AX-DV
