FULL SURFACE GEARED CONTINUOUS HINGES

Fix sagging doors for good with the ONLY electrically modified full surface hinge!

End repeated repairs on entryways equipped with electrical devices. Get a SELECT electrically modified full surface hinge with our exclusive, patent-pending process that uses a concealed transfer device to carry electrical current between the frame and door. Electrical components have a five-year warranty.

Get SELECT hinge durability.

More than 25,000,000 independent test cycles — 10 times beyond Grade 1 cycle count — prove SELECT hinges' durability. Exclusive Pair-Matched™ hinge leaves, lifetime lubrication and anodizing *after* machining work together to assure reliable performance. And we back them with the industry's only Continuous Warranty™, which never expires.

Tested to last 60+ years CONTINUOUS WARRANTY™
