door opening solutions

Pemko Builders Series flat track sliding door hardware systems

The Pemko Builders Series flat track sliding door hardware is a decorative sliding door system with a rustic look and feel.

Perfect for offices, hotel rooms and multi-family units, the Builders Series flat track sliding door hardware system is available with two styles of door hangers and two finishes to complement the decor. The system suites beautifully with Rockwood AccenTek™ Formed Door Pulls.

All mounting and installation hardware is conveniently packaged as kits in two standard track lengths.

Features	Benefits
Steel hangers glide along on solid nylon wheels	Smooth and quiet operation makes it appropriate for shared spaces
For wood doors up to 240 lbs.	Durable system designed for a range of doors
Each hanger is equipped with an anti-rise disc	Ensures the door cannot be lifted off the track
Two flat track styles of door hangers that suite with Rockwood door pulls	Complements decor and open interiors
In-house tested to meet strict performance standards	System meets performance requirements of ANSI/BHMA 156.14

Applications:

- Hospitality
- Office Buildings
- Multi-Family
- Mixed Use
