OPTIMIZ-R DRAWER BOX SYSTEM

MATTE BLACK FINISH

Discover OPTIMIZ-R, our slim double-wall metal drawer box system. The slender straight drawer sides of OPTIMIZ-R offer a streamlined design allowing for optimal storage space and an elegant minimalist look making it perfectly suited for the cabinet industry.

- A full range of accessories, drawer heights and configurations
- Fast and easy assembly thanks to integrated rear brackets
- No need to groove drawer bottoms
- Load capacity of 100 lb (45 kg)
- KCMA Certified

Your purchase is made simple! Our OPTIMIZ-R sets include all the parts needed to assemble this slim double-wall drawer box system.

Solid steel construction in three finishes:

Anthracite

White

Matte black

NEW!

Its slim rectilinear panels create a stylish profile, enhanced by an optimal storage space with a minimalist look and a perfect elegance for your projects.
